First Taste: Bidwell

I met Chef John Mooney years ago in [Iceland](#). I visited his NY restaurant, [Bell, Book and Candle](#) and loved the fresh flavors. His new spot, Bidwell, exceeded my expectations and provided a meal with comforts and food memories.

I can't wait to get back there and try brunch. Stop in soon to try Chef John's creative menu that is absolutely delicious!

Bidwell is located in Union Market, 1309 5th Street NE, Washington DC 20002.
