

EAT YOUR WAY THROUGH UNION MARKET THIS WEEKEND

PUBLISHED ON 3/6/2014
BY [LAURA HAYES](#)

Your mission: get yourself to [Union Market](#) this weekend to try these five dishes from some of its finest and NEWEST vendors. Bring a team of friends (or one extremely hungry friend), and get ready to dive into venison chili, [top secret](#) soups, and more.

LAURA HAYES

[Bidwell](#), *Venison Chili*

The only sit-down restaurant in Union Market orders 50 pounds of venison a week to meet the demands of hungry carnivores. Warning: once you consume this crock, all of your future chili tailgates will fall short. Very short. Beef more your bag? Get the patty melt served on Jewish rye with red beet thousand island dressing.
